

## **‘LEADING SPORT BOARDS’ - GOVERNANCE WORKSHOP**

**DURATION** 2 – 3 hours

This program focuses on the people side of governance and builds on the ASC’s Club Committees workshop. It aims to:

- increase the awareness of board members of the skills required to make a successful and positive contribution
- provide some practical strategies for improving the sport or club environment.

### **PROGRAM OVERVIEW**

#### **1. Being a good director - your behaviour, rules and obligations**

- Ethics, accountability and compliance
- Conflicts of interest and competing agendas
- Director v CEO – roles and responsibilities
- Legislative and regulatory obligations

#### **2. Leadership and managing the business of the board**

- Applying leadership principles as a director
- Your board and its jurisdiction
- Accountability and transparency
- Developing a vision and direction for your sport/club
- Setting and/or changing the culture.

## **PRESENTER**

Brenda McConchie, PSM. Brenda McConchie is the Director of Sports Education and Leadership Services, Solved at McConchie Pty Ltd, the Aurora Leadership Foundation and former Director of Netball Australia and President of ACTSport.

Brenda is a skilled presenter and facilitator in the fields of leadership and governance, strategy and change management. Her experience and understanding of the sport environment makes this an extremely relevant and interactive workshop for members of all sport boards.

## **PROGRAM DELIVERY**

The program will be a mix of presentation and large and small group discussion.
